## Tough Sell

*Fighting the Media War in Iraq*

TOM BASILE

FOREWORD BY JOHN R. BOLTON

Tom Basile takes readers behind the scenes during his time as a civilian advisor in Iraq during the Iraq War, describing his mission and the struggle to communicate about the war as it became more deadly and less popular at home.

“This fair, honest, and intensely personal story should inform journalists, policymakers, and the public as we make tough decisions in the fight against ISIS.”—Dr. Bob Arnot, former NBC News foreign correspondent

“A must-read for students of conflict, practitioners of war, and a public eager to understand what is really at stake as we continue forward in a multi-decade struggle against radical Islamic terror.”—Gary Berntsen, former senior CIA operations officer and station chief

May 2017 • 320 pp. • 6 x 9

\$32.95 • hardcover • 978-1-61234-900-8

## The Struggle for Iraq

*A View from the Ground Up*

THOMAS M. RENAHAN

A political scientist's firsthand report on Iraq and his work with his Iraqi staff to promote democracy and fight corruption, from the days of the Coalition Provisional Authority to the present, and his recommendations for American policy-makers based on the lessons learned.

“[An] eye-opening book that amply shows how America's civilian work aiding democratic reconstruction in Iraq is unfinished.”—*Kirkus Reviews*

“A clear and accurate first-person account of what led Iraq to the problems it is facing now, including Daesh, and how decision makers in both the United States and Iraq can start solving them.”—Ali Sada, Iraq Research Foundation for Analysis and Development

June 2017 • 536 pp. • 6 x 9 • 6 maps, 1 glossary

\$36.95 • hardcover • 978-1-61234-882-7

## Selling War

*A Critical Look at the Military's PR Machine*

STEVEN J. ALVAREZ

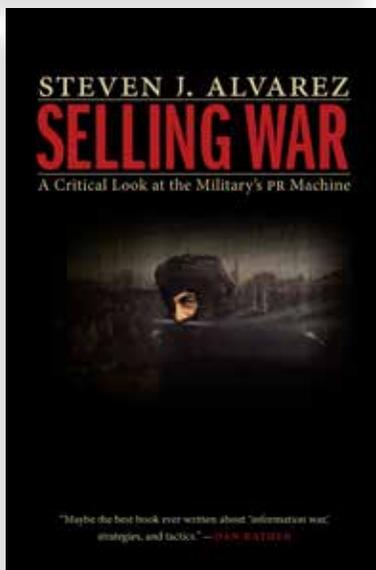

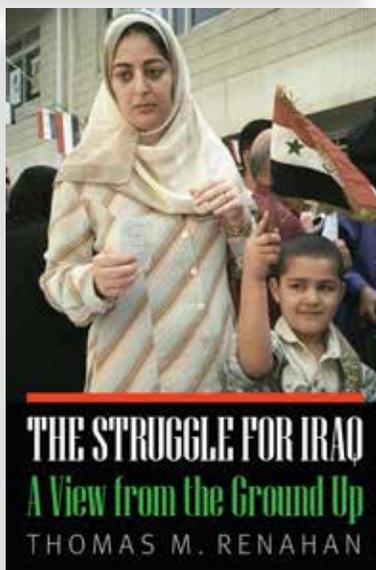

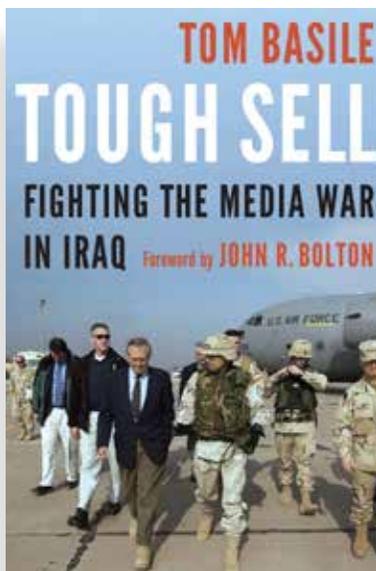

The story of how the U.S. military lost the information war in Iraq by engaging the wrong audiences and how this lack of understanding has led to the conditions we have today, including the rise of ISIS.

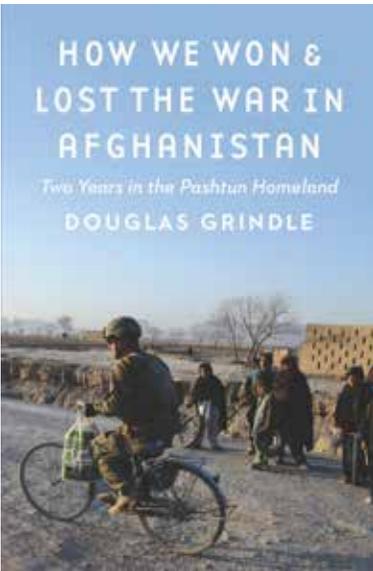

“Maybe the best book ever written about ‘information war,’ strategies, and tactics. An insider's revealing, behind-the-scenes story of the media and the military in Iraq. From the White House to West Point to West Main Street, this is a book to ponder about the military and the press in a free society at war.”—Dan Rather

“A fascinating and insightful study. . . Without doubt, the best book on the subject.”—Kristine Baker, *Washington Book Review*

2016 • 384 pp. • 6 x 9 • 13 photographs

\$34.95 • hardcover • 978-1-61234-772-1

## How We Won and Lost the War in Afghanistan

*Two Years in the Pashtun Homeland*

DOUGLAS GRINDLE

Douglas Grindle provides a firsthand account of how the war in Afghanistan was won in a rural district south of Kandahar City and how the newly created peace slipped away when vital resources failed to materialize and the United States headed for the exit.

“The best book yet to explain what the civilians in Afghanistan at the district level actually were doing and trying to do. Highly readable: it contains much from which we could learn if we have the will to do so.”—Ambassador Ronald E. Neumann, author of *The Other War: Winning and Losing in Afghanistan*

November 2017 • 280 pp. • 6 x 9 • 19 photographs, 2 maps  
\$29.95 • hardcover • 978-1-61234-954-1

## Russia's Dead End

*An Insider's Testimony from Gorbachev to Putin*

ANDREI A. KOVALEV

TRANSLATED BY STEVEN I. LEVINE

FOREWORD BY PETER REDDAWAY

An insider's account of Soviet and Russian politics from Gorbachev's democratizing reforms in the 1980s to the current authoritarian Russia of Putin.

“Should be required reading for all American students interested in joining an intelligence service or a foreign-policy agency.”—*Foreword Reviews*

“[Andrei Kovalev's] book is a must-read for those who want to understand the most recent history of Russia and who share his love and indignation over how the efforts to democratize his country were ruined by a small yet powerful corrupt clique.”—Robert van Voren, professor of Soviet and post-Soviet studies, Vytautas Magnus University in Kaunas, Lithuania

August 2017 • 392 pp. • 6 x 9 • 1 map, 1 table, chronology  
\$34.95 • hardcover • 978-1-61234-893-3

## Not by Bread Alone

*Russian Foreign Policy under Putin*

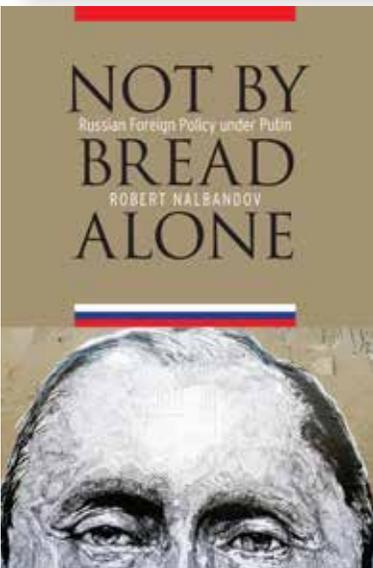

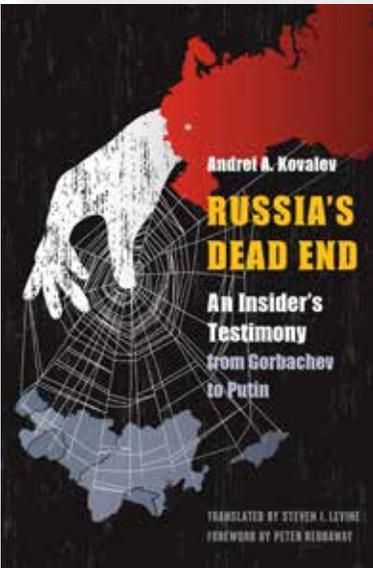

ROBERT NALBANDOV

A look at Russia's foreign policy under Vladimir Putin, analyzing Russia's foreign policy priorities and actions and examining the country's identity construction as a way to understand its political culture.

“Brings fresh insight to both the longer-standing issues and the newer questions and conundrums the world faces in light of current Russian foreign policy.”—Rick Fawn, professor in the School of International Relations at the University of St. Andrews in Scotland

“A comprehensive and provocative account of Russian foreign policy that strives to explain its evolution under Vladimir Putin by looking inside the black box of ‘Russian political culture.’”—Viatcheslav Morozov, professor of EU–Russia Studies at the University of Tartu

2016 • 592 pp. • 6 x 9  
\$39.95 • hardcover • 978-1-61234-710-3

## Crude Nation

*How Oil Riches Ruined Venezuela*

RAÚL GALLEGOS

The story of how ruinous mismanagement has resulted in the economic implosion of Venezuela, the country with the largest oil reserves in the world, told by a former Caracas-based oil correspondent.

“Gallegos provides crucial background for the country’s present situation, and also offers a solution for fixing the country’s economy and helping it re-enter the global energy industry.”—*New York Times*

“Superbly reported.”—*Wall Street Journal*

“Provides an excellent summary of today’s Venezuela, and a solid explanation of the historical trends that have produced the country’s ongoing tragedy.”—*America’s Quarterly*

“An invitation to understand the tragedy of one of the richest economies in the hands of an irresponsible and tyrannical government.”—Álvaro Uribe, former president of Colombia

2016 • 256 pp. • 6 x 9 • 9 photographs, 1 map  
\$34.95 • hardcover • 978-1-61234-770-7

## The Rise of Turkey

*The Twenty-First Century’s First Muslim Power*

SONER CAGAPTAY

An introduction to Turkey and its rise to power.

“An essential read for anyone interested in developing a serious understanding of modern Turkey.”—Reza Akhlaghi, Foreign Policy Association

“Cagaptay does an excellent job in outlining the challenges and choices that confront contemporary Turkey.”—H. Shambayati, *CHOICE*

“Offers a wealth of insights for both interested observers and specialists alike. . . . For anyone interested in Turkey and American policy toward it, this book should be required reading.”—Ambassador Dennis Ross, former special assistant to President Barack Obama and National Security Council senior director

2014 • 184 pp. • 6 x 9 • 3 illustrations, 3 maps, 6 tables  
\$25.95 • hardcover • 978-1-61234-650-2

## Chinese Nuclear Proliferation

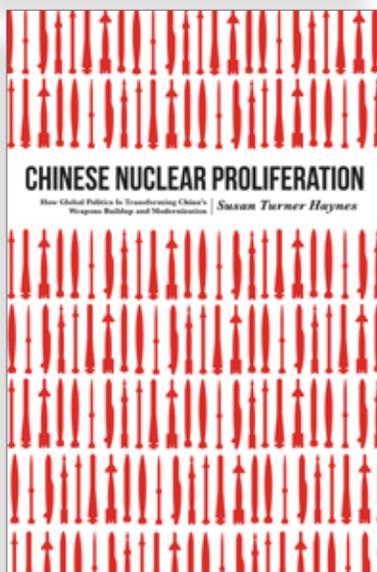

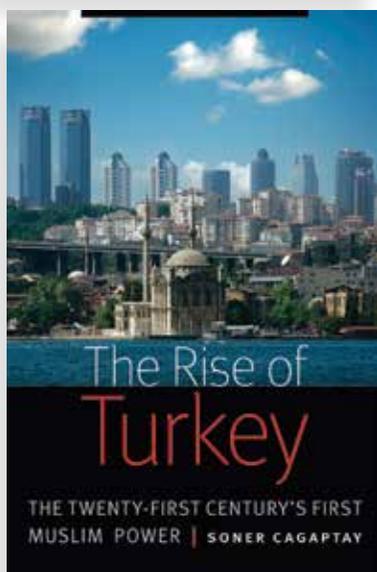

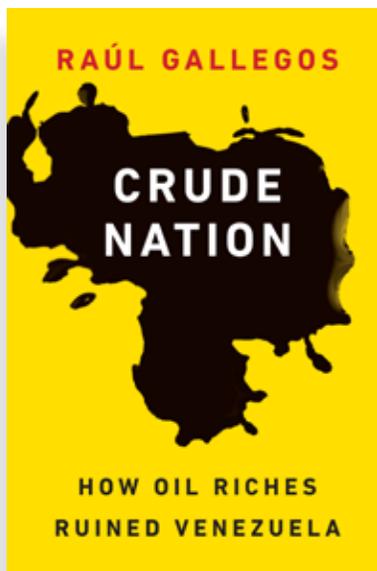

*How Global Politics Is Transforming China’s Weapons Buildup and Modernization*

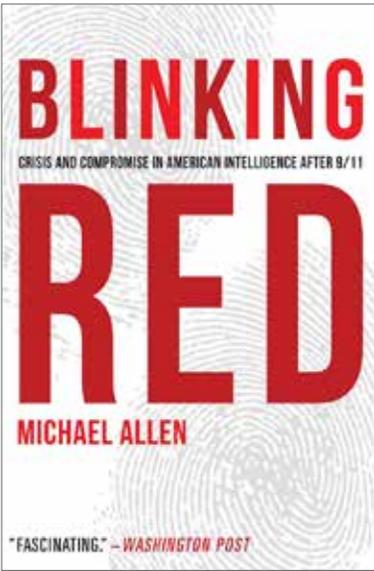

SUSAN TURNER HAYNES

Offers an analysis of the strategy, motivation, and implications of China’s nuclear buildup and diversification since the Cold War.

“Provides comprehensive, unique, and invaluable information about China’s nuclear program. Susan Turner Haynes’s use of primary source materials in the Chinese language makes the book especially useful to specialists and to students. It is the most comprehensive study of the subject in decades.”—Larry M. Wortzel, member and former chairman of the U.S.-China Economic and Security Review Commission

2016 • 198 pp. • 6 x 9 • 7 figures, 4 tables  
\$29.50 • hardcover • 978-1-61234-821-6

## Blinking Red

*Crisis and Compromise in American Intelligence after 9/11*

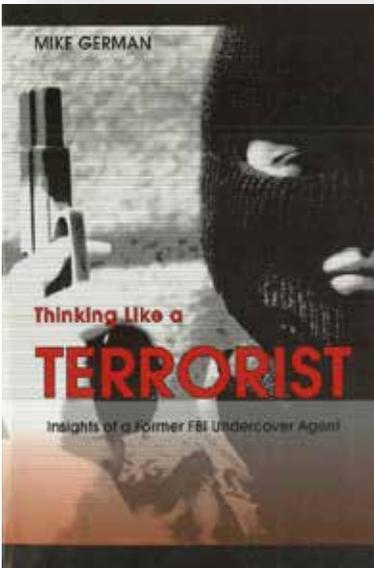

MICHAEL ALLEN

Illuminates the complicated history of the bureaucratic efforts to reform America's national security after the intelligence failures of 9/11.

"The log-rolling and infighting that produced the unwieldy [director of national intelligence] structure is explained in [this] fascinating new book."—David Ignatius, *Washington Post*

"The definitive historical account of intelligence reform after September 11th. A monumental work, it covers the politics and policies that transformed American national security. A must-read for students of history and politics."—Gen. Michael Hayden, former director of the CIA, and principal deputy director of national intelligence

2016 • 282 pp. • 6 x 9 • 10 photographs  
\$19.95 • paperback • 978-1-61234-823-0

## Thinking Like a Terrorist

*Insights of a Former FBI Undercover Agent*

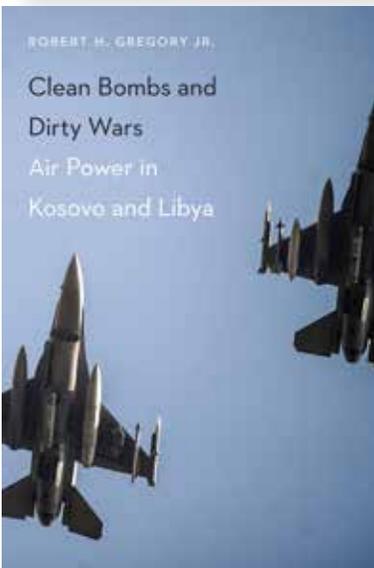

MIKE GERMAN

A former undercover agent who infiltrated neo-Nazi terrorist groups in the United States, Mike German explains the terrorist's point of view and discusses ways to counter the terrorism threat.

"Mr. German has provided not only a fascinating look into his infiltration of white supremacist groups in Los Angeles and Washington State, but also a scholarly and thoughtful discussion of terrorists in general."—*Judge Advocate General's Corp Magazine*

"A mix of pragmatic insights gained via a stellar law enforcement career coupled with impressive scholarship. . . . This book should serve as a wake-up call for policy makers, national security bureaucracies, and concerned citizens."—John Cassara, former CIA case officer and author of *Hide and Seek: Intelligence, Law Enforcement, and the Stalled War on Terrorist Finance*

2008 • 252 pp. • 6 x 9  
\$19.95 • paperback • 978-1-59797-026-6

## Clean Bombs and Dirty Wars

*Air Power in Kosovo and Libya*

ROBERT H. GREGORY JR.

*Clean Bombs and Dirty Wars: Air Power in Kosovo and Libya* explores how the U.S. public, policymakers, and military services perceived and utilized air power and precision munitions before, during, and after Operation Allied Force in Kosovo in 1999 with incorrect assumptions.

"A well-written and necessary look at what air-to-ground capabilities bring to the joint fight."—*Journal of Military History*

"Reflecting a variety of media and scholarly source material, this is the rare book that packs appeal for general and university readers, as well as professionals in government and the military."—F. S. Pearson, *CHOICE*

2015 • 326 pp. • 6 x 9 • 2 photographs, 2 maps, 4 figures  
\$26.50 • paperback • 978-1-61234-731-8

## Eyewitness to Chaos

*Personal Accounts of the Intervention in Haiti, 1994*

WALTER E. KRETCHIK

A history of the 1994 U.S. intervention in Haiti drawn from oral history testimonies and a new perspective on this attempt to secure a brighter future for Haiti's people.

"The UN-sponsored but American-led occupation of Haiti from 1994 to 1996 has faded from memory, rendered gauzy under history's shroud. Now Walter Kretchik hurls the shroud aside to shine a megawatt spotlight on the intervention. Few books have done such a brilliant job of explaining the enormous complexities of conducting a limited, multinational operation."—Peter Maslowski, coauthor of *For the Common Defense: A Military History of the United States from 1607 to 2012*

2016 • 240 pp. • 6 x 9 • 23 illustrations, 2 maps  
\$34.95 • hardcover • 978-1-61234-724-0

## Lavi

*The United States, Israel, and a Controversial Fighter Jet*

JOHN W. GOLAN

Traces the evolution of Israel's Lavi fighter program, the largest weapons development initiative ever undertaken by the State of Israel, and the wider societal and international political contexts in which it played its role.

"[An] excellent book."—Moshe Arens, *Jerusalem Post*

"A fascinating read, Lavi includes multiple books in one. . . . An important addition to Middle East aviation history."—Lon O. Nordeen, author of *Air Warfare in the Missile Age* and *Fighters over Israel*

2016 • 450 pp. • 6 x 9 • 27 photographs, 45 figures, 14 tables, 7 appendixes  
\$39.95 • hardcover • 978-1-61234-722-6

## Hero of the Crossing

*How Anwar Sadat and the 1973 War Changed the World*

THOMAS W. LIPPMAN

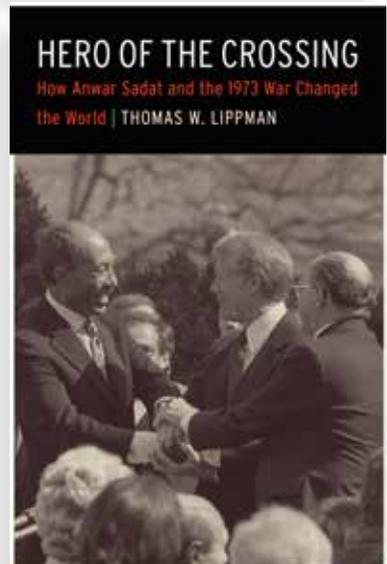

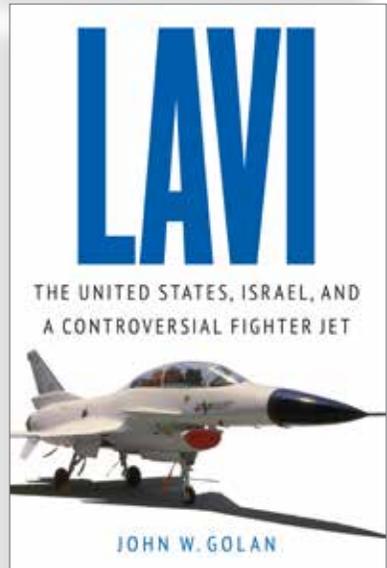

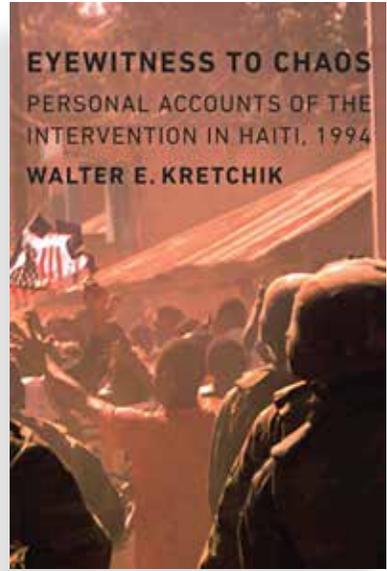

An assessment of Anwar Sadat and the 1973 War, as well as the event's global implications.

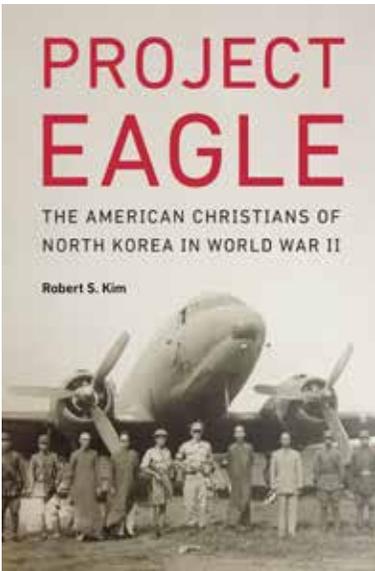

"Lippman, a professional journalist of the highest quality, writes in an impeccable, beautiful style, making the book readily accessible to readers of all backgrounds."—Kirk J. Beattie, *Middle East Journal*

"A well-informed book."—William B. Quandt, Middle East Policy Council

"Tom Lippman has provided the foundation for understanding what is happening [in the Middle East] today, from the rise of ISIS to the collapse of the Arab Spring. And, as an added benefit, it is a good read for expert and novice alike."—Edward S. Walker, former U.S. ambassador to Egypt, Israel, and the United Arab Emirates

2016 • 336 pp. • 6 x 9 • 1 map  
\$34.95 • hardcover • 978-1-61234-702-8

## Project Eagle

*The American Christians of North Korea in World War II*

ROBERT S. KIM

The story of American missionaries in Korea and their forgotten contributions to Korean independence prior to and during World War II. Their legacy has shaped the relationship of the United States to both North Korea and South Korea and remains crucial to understanding the future of U.S. relations with both Koreas.

“Robert Kim’s highly informative, intriguing, wonderfully illustrated, and readable *Project Eagle* helps us envision a reunified Korean nation collaborating with the United States and other Pacific Rim nations toward widespread stability and prosperity in the region.”

—Robert M. Sargent, U.S. Foreign Service (Ret.)

May 2017 • 360 pp. • 6 x 9 • 50 photographs, 2 figures  
\$34.95 • hardcover • 978-1-61234-869-8

## This Kind of War

*The Classic Korean War History, Fiftieth Anniversary Edition*

T. R. FEHRENBACH

The fiftieth anniversary edition of the classic history of the Korean War is a dramatic and hard-hitting account of the conflict written from the perspective of those who fought it. As Americans and North Koreans continue to face each other across the 38th Parallel, *This Kind of War* commemorates the past and offers vital lessons for the future.

“A comprehensive and impressively written history of the Korean War.”—*Washington Post*

“The lesson of the Korean War as it has not yet been told by anyone . . . terse, machine-gun bursts of common sense.”—*Life* magazine

2001 • 540 pp. • 6 x 9 • 20 photographs, 26 maps  
\$28.95 • paperback • 978-1-57488-334-3

## In the Highest Degree Tragic

*The Sacrifice of the U.S. Asiatic Fleet in the East Indies during World War II*

DONALD M. KEHN JR.

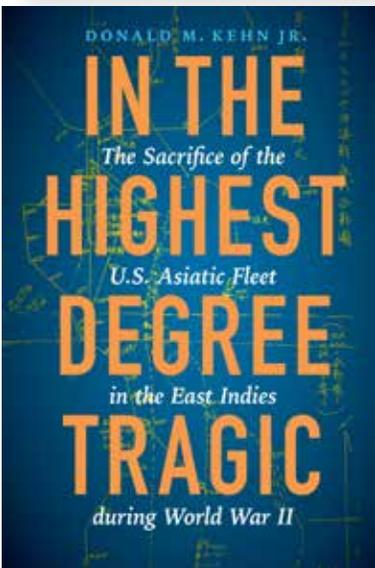

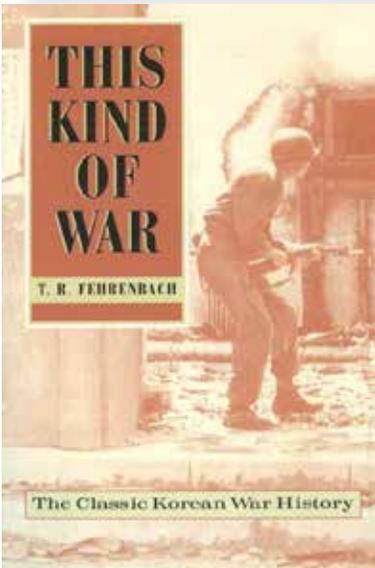

The heroic story of the sacrifice of the U.S. Asiatic Fleet in defense of the Dutch East Indies against the Japanese during the first three months of the Pacific War.

“Unsurpassed in its detailed, participant-based coverage of the ill-fated efforts of the Asiatic Fleet and its Dutch, British, and Australian allies to counter the Japanese attempt to seize Java, this vivid account stands as the authoritative work on the subject.”

—William H. Bartsch, author of *Every Day a Nightmare*

“Don Keihn has produced here a first-rate history of an oft-neglected yet critical phase of that conflict. Keihn captures it vividly, drawing adroitly from both Western and Japanese sources. Excellent!”—Jonathan Parshall, coauthor of *Shattered Sword*

August 2017 • 560 pp. • 7 x 10 • 50 photographs  
\$39.95 • hardcover • 978-1-61234-820-9

## Rails of War

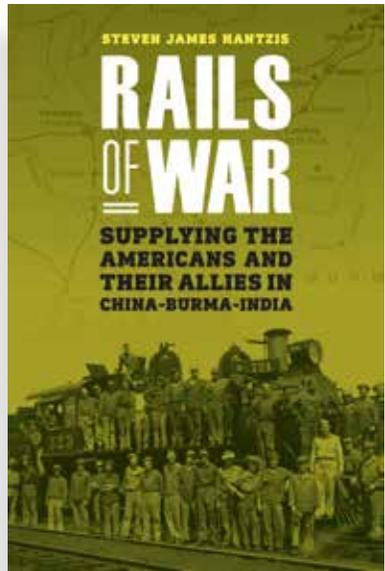

*Supplying the Americans and Their Allies  
in China-Burma-India*

STEVEN JAMES HANTZIS

Tells the story of Staff Sergeant James Harry Hantzis of the 721st Railway Operating Battalion and those who built and maintained seven hundred miles of railroad in the China-Burma-India theater of World War II.

“An incredible look at the monumental task of these logistics superheroes. . . . These unsung members of our Greatest Generation worked miracles, and Steve Hantzis does a wonderful job capturing the danger, the difficulty, and the rewards in a very personal way. As a commander of our Flying Tigers in Desert Storm, I especially enjoyed the parallels between the logistics of World War II and Desert Storm.”—Gen. Gene Renuart, USAF (Ret.)

May 2017 • 232 pp. • 6 x 9 • 24 photographs, 6 maps  
\$29.95 • hardcover • 978-1-61234-853-7

## The Search for the Japanese Fleet

*USS Nautilus and the Battle of Midway*

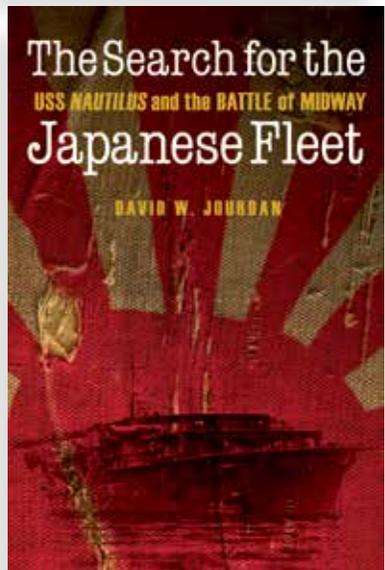

DAVID W. JOURDAN

FOREWORD BY PHILIP G. RENAUD

One of the world's experts in undersea exploration reconstructs the critical role the USS *Nautilus* submarine and its crew played in the Battle of Midway, considered to be the turning point of the war in the Pacific.

“A superb combination of history, strategy, tactics, and science, David Jourdan's new treatment of the epic Battle of Midway is a masterpiece. He takes us deep—both literally and figuratively—into acoustic exploration at sea, unlocks the mysteries of the undersea portion of Midway, and tells a gripping tale of war at sea.”—Adm. James Stavridis, USN (Ret.), former supreme Allied commander of NATO, 2009–2013

2015 • 424 pp. • 6 x 9  
\$29.95 • hardcover • 978-1-61234-716-5

## War Crimes in Japan-Occupied Indonesia

*A Case of Murder by Medicine*

J. KEVIN BAIRD AND SANGKOT MARZUKI

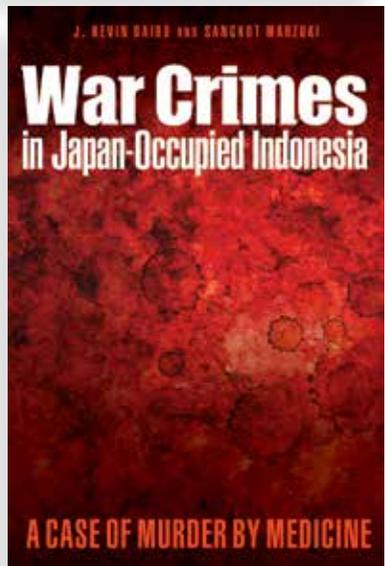

FOREWORD BY MARK HARRISON

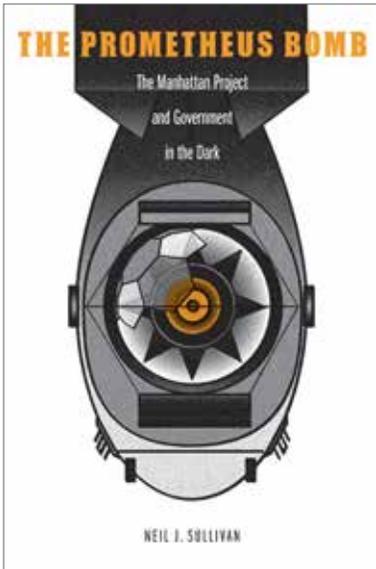

An examination of the execution of a prominent Indonesian scientist during the Japanese occupation of Indonesia in the Pacific War

“This harrowing story, told with forensic attention to detail and unquestionable passion, illuminates an otherwise murky corner of Indonesia's history. An important addition to the thin literature about the years of the Japanese occupation.”—Elizabeth Pisani, author of *Indonesia Etc.*

“This book is a celebration of the power of justice and offers an invaluable contribution to the understanding of this dark chapter in history.”—Yuki Tanaka, professor of history at Hiroshima University

2015 • 328 pp. • 6 x 9 • 40 illustrations  
\$34.50 • hardcover • 978-1-61234-644-1

## The Prometheus Bomb

*The Manhattan Project and Government in the Dark*

NEIL J. SULLIVAN

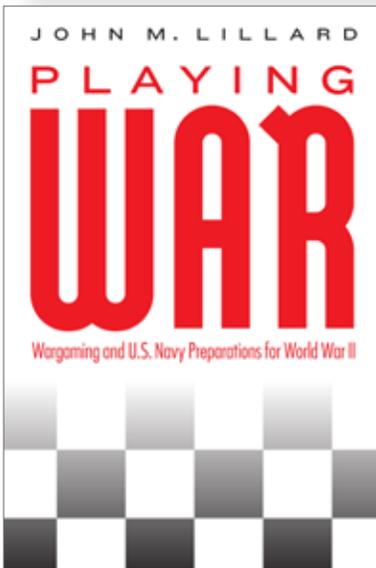

The exploration of how key government officials were unaware of the implications of developing the first atomic bomb during World War II, leaving the lives of millions of Americans in the hands of a few brilliant scientists.

“An absorbing account of perhaps the most consequential, yet casually made, policy decisions in American history. Beautifully written, the book conveys the high drama, stumbling pace, and terrible, unethical risks behind the development of the atom bomb.”

—E. S. Savas, professor of public affairs at Baruch College

“Written with the pace and accessibility of a ‘can’t put it down’ novel, *The Prometheus Bomb* forces us to think and rethink how to maintain a representative democracy in the modern world.”—Dan H. Fenn, founding director of the John F. Kennedy Presidential Library

2016 • 296 pp. • 6 x 9 • 23 photographs, 3 illustrations  
\$29.95 • hardcover • 978-1-61234-815-5

## Playing War

*Wargaming and U.S. Navy Preparations for World War II*

JOHN M. LILLARD

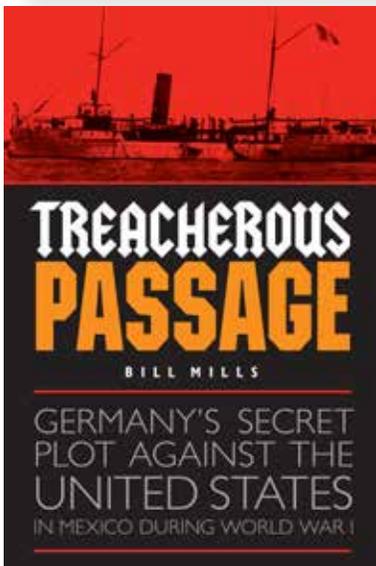

An exploration of how the U.S. Navy used its experience in the First World War in preparation for World War II through war games that tested new doctrines, experimented with advanced technology, and simulated future conflicts.

“I highly recommend that military professionals read this book.”—Phillip G. Pattee, Naval Historical Foundation

“The best compilation of information and analysis of the wargaming efforts at the Naval War College between the wars [that is] currently available. It provides a needed corrective to some of the inaccurate mythology that has come to surround this subject.”

—Peter Perla, author of *The Art of Wargaming: A Guide for Professionals and Hobbyists*

2016 • 224 pp. • 6 x 9 • 22 illustrations, 7 tables, 8 graphs  
\$39.95 • hardcover • 978-1-61234-773-8

## Treacherous Passage

*Germany's Secret Plot against the United States in Mexico during World War I*

BILL MILLS

The story of a German plot to launch attacks from Mexico against Allied merchant shipping in the Pacific and the struggle between German and American secret agents in Mexico during World War I.

“Barbara Tuchman meets John Le Carré in *Treacherous Passage*, a gripping story of espionage and intrigue that reminds us that World War I truly was a global war fought on many fronts.”—Christopher Capozzola, author of *Uncle Sam Wants You*

January 2017 • 256 pp. • 6 x 9 • 25 illustrations, 1 table  
\$29.95 • hardcover • 978-1-61234-854-4

## Shattered Sword

*The Untold Story of the Battle of Midway*

JONATHAN PARSHALL AND  
ANTHONY TULLY

FOREWORD BY JOHN B. LUNDSTROM

Winner of the 2005 John Lyman Book Award for  
the Best Book in U.S. Naval History

Cited by *Proceedings* as one of its Notable Naval  
Books for 2005

*Shattered Sword* offers a new interpretation of the  
Battle of Midway, making extensive use of Japanese  
primary sources and placing it within the context of  
the Imperial Navy's doctrine and technology.

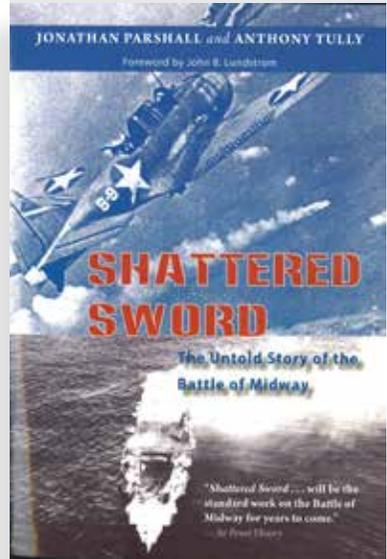

"A superb volume."—*Journal of Military History*

"A fascinating, unique, and groundbreaking study."  
—*Journal of Australian Naval History*

"This meticulously researched and thoroughly docu-  
mented study is an essential corrective."—*Naval Review*

2007 • 640 pp. • 7 x 10

\$26.95 • paperback • 978-1-57488-924-6

## The Forgotten Soldier

GUY SAJER

*Forgotten Soldier* recounts the horror of World War  
II on the eastern front, as seen through the eyes of a  
teenaged German soldier.

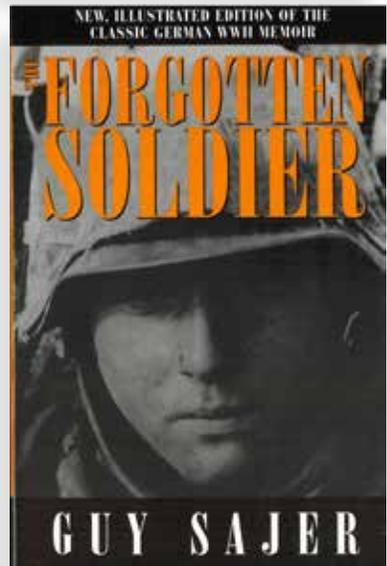

"I don't think that anyone who reads [it] to the end  
will ever forget it."—*New York Times*

"Sajer is blunt in explaining his reason for sharing his  
experiences: 'to reanimate, with all the intensity I can  
summon, those distant cries from the slaughterhouse.'  
He succeeds in doing just that. . . . This book will  
remain relevant because it explores the psychology of  
the soldier at war."—*Military Review*

"A work of soul."—*Life* magazine

2001 • 508 pp. • 6 x 9

\$19.95 • paperback • 978-1-57488-286-5

## Fall of the Double Eagle

*The Battle for Galicia and the Demise  
of Austria-Hungary*

JOHN R. SCHINDLER

An examination of the battle for Galicia in August  
1914, the most historically and strategically conse-  
quential of the Great War's three opening campaigns.

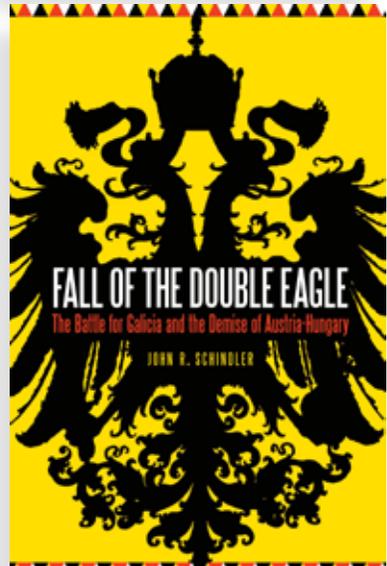

"Among the recent books on the Great War's long-  
neglected Eastern Front, this stands with the best. . . .  
Schindler's comprehensive research and measured  
judgment combine in an admirably balanced account  
of the disaster that foreshadowed the end of the  
Habsburg Empire."—Dennis Showalter, author of  
*Hitler's Panzers: The Lightning Attacks that Revolutionized Warfare*

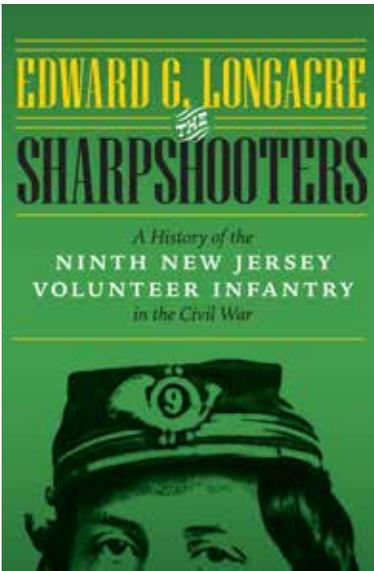

"An excellent examination of one of the most important  
battles of World War I."—John Fahey, *Military Review*

"[A] must-read for students of history and historians  
alike."—*Washington Book Review*

2015 • 360 pp. • 6 x 9

\$34.95 • hardcover • 978-1-61234-765-3

## The Sharpshooters

*A History of the Ninth New Jersey Volunteer Infantry in the Civil War*

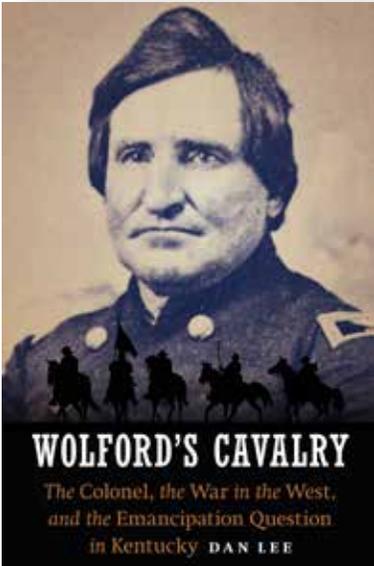

EDWARD G. LONGACRE

Edward G. Longacre traces the history of the esteemed Ninth New Jersey Volunteer Infantry before, during, and after the war, including the complicated political and social views of these men.

“Seasoned historian and master storyteller Ed Longacre breathes life into a memorable account of common men struggling to overcome the unvarnished reality of war. Heads above most regimental histories.”  
—Rod Gragg, author of *Covered with Glory*

“*The Sharpshooters* covers all the bases, including organization, tactics, and soldiers’ mixed political, social, and racial attitudes in a unique unit deployed in a little-known theater of war, filling a niche in both New Jersey and Civil War history.” —Joseph G. Bilby, coauthor of “*Remember You Are Jerseymen!*”

January 2017 • 432 pp. • 6 x 9 • 37 illustrations  
\$34.95 • hardcover • 978-1-61234-807-0

## Wolford's Cavalry

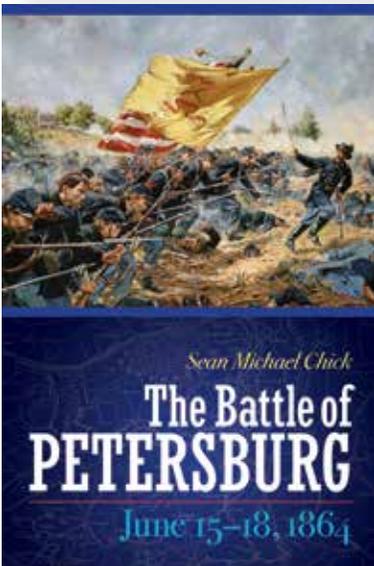

*The Colonel, the War in the West, and the Emancipation Question in Kentucky*

DAN LEE

The story of Colonel Frank Wolford, a nationally acclaimed Civil War colonel of the First Kentucky Volunteer Cavalry, who ruined both his reputation and his career over the question of emancipation and its corollary, the enlistment of African Americans in the Federal Army.

“Well worth reading, not only for the military history it covers but for the social, political, and economic consequences of war.” —Charles H. Bogart, *Journal of America's Military Past*

2016 • 312 pp. • 6 x 9 • 8 figures, 3 maps  
\$34.95 • hardcover • 978-1-61234-851-3

## The Battle of Petersburg, June 15–18, 1864

SEAN MICHAEL CHICK

An in-depth look at an important but often overlooked battle and offers a new perspective on why the Army of the Potomac’s leadership could not win a battle in which they held colossal advantages.

“Any reader seeking to honestly confront what the Civil War had become by 1864—and why Americans often avoid the hard truths about the war—would do well to consult this book.” —Benjamin G. Cloyd, *Journal of Southern History*

“The writing is excellent. The research is top notch. And, best of all, Sean Chick has the courage to put the blame for the failure of the Petersburg assaults . . . where it belongs.” —Bryce A. Suderow, coauthor of *The Petersburg Campaign, Volume 2*

2015 • 480 pp. • 6 x 9 • 29 illustrations, 11 maps, 1 appendix  
\$39.95 • hardcover • 978-1-61234-712-7

## Nanoweapons

*A Growing Threat to Humanity*

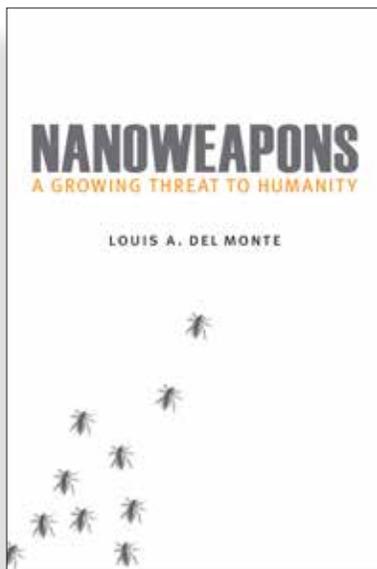

LOUIS A. DEL MONTE

*Nanoweapons* describes the deadliest generation of military weaponry the world has ever seen and offers concrete recommendations for controlling their future use, thus avoiding global war and human extinction.

“Louis Del Monte provides a futurist clarion call for people to start thinking and talking about this emerging technology—a technology fraught with the potential for great good and great harm.”—Col. Thomas R. Lujan, U.S. Army (Ret.), attorney at law

“*Nanoweapons* opens the cloak of secrecy on the developing area of nanotechnologies and how societies may use them in the future for good and evil. A very captivating topic.”—Tamara Bratland, engineer for a Fortune 500 medical device company

April 2017 • 264 pp. • 6 x 9 • 3 illustrations  
\$29.95 • hardcover • 978-1-61234-896-4

## Screening the System

*Exposing Security Clearance Dangers*

MARTHA LOUISE DEUTSCHER

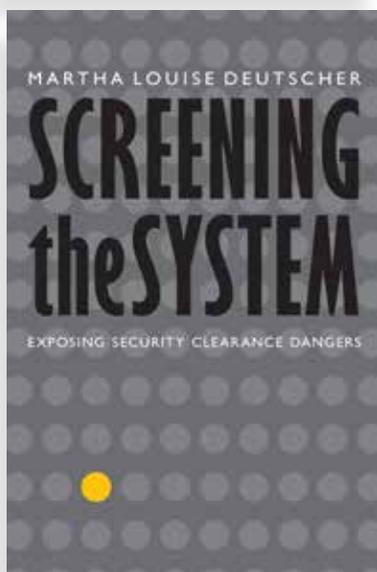

Shows how security clearance practices, including everything from background checks and fingerprinting to urinalysis and the polygraph, provide insight into the way we think about privacy, national security, patriotism, and the state.

“Martha Deutscher reveals that the state of the U.S. security clearance system is itself a pernicious insider threat. A must-read for a must-fix situation.”

—Steven L. Katz, former counsel for the U.S. Senate Committee on Governmental Affairs

“The American security system has become dysfunctional, and no one gives a more lucid, incisive critique of it than Martha Deutscher.”—Hugh Gusterson, author of *Nuclear Rites: A Weapons Laboratory at the End of the Cold War*

February 2017 • 216 pp. • 5 ½ x 8 ½ • 11 photographs,  
1 appendix  
\$24.95 • hardcover • 978-1-61234-813-1

## War by Numbers

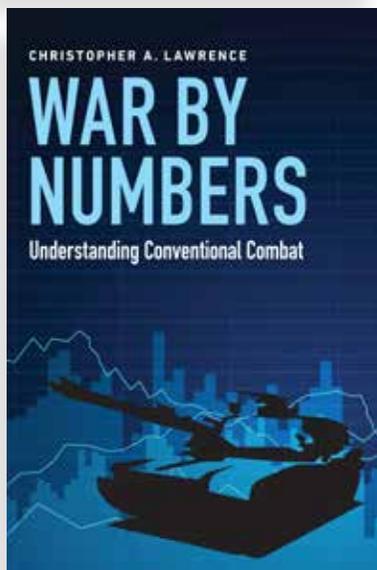

*Understanding Conventional Combat*

CHRISTOPHER A. LAWRENCE

A study of the basic nature of conventional warfare based on extensive analysis of historical combat to indicate the impact that various factors have on warfare.

“*War by Numbers* takes the study of military history out of the realm of storytelling and simplistic interpretation into a realm of systematic and impartial analysis of available recorded data. This is an essential book for the theorist, the analyst, the war planner, and the war fighter.”  
—Maj. Gen. Nicholas Krawciw, U.S. Army (Ret.)

August 2017 • 390 pp. • 7 x 10 • 218 tables, 1 chart,  
49 graphs  
\$39.95 • paperback • 978-1-61234-886-5

## Tarnished

*Toxic Leadership in the U.S. Military*

GEORGE E. REED

A study of toxic leadership in the U.S. military and an examination of ways to improve the command structure by revamping the way leaders are trained and treated.

“We must provide all leaders the tools to recognize and ultimately overcome toxic leadership. *Tarnished* is a great starting point.”—Maj. Nathan K. Finney, *Army Magazine*

“Reed offers an essential discourse on what many may see as an unpleasant, but necessary reality of military culture. . . . Understanding and not tolerating toxic leadership is critical to stewarding the profession of arms.”—Col. Charles D. Allen, *Parameters*

## The Evolution of Cyber War

*International Norms for*

*Emerging-Technology Weapons*

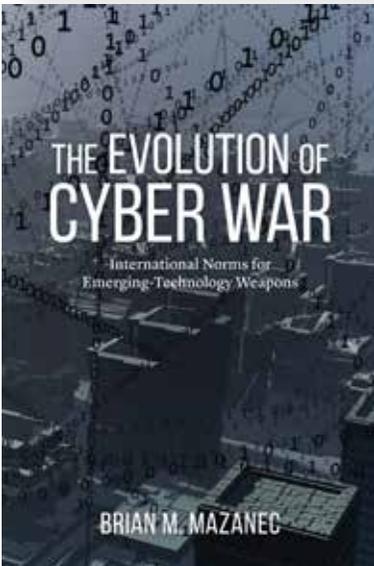

BRIAN M. MAZANEC

Employing five case studies of emerging-technology weapons: chemical and biological, strategic bombing, and nuclear weaponry, *The Evolution of Cyber War* predicts how constraining international norms for cyber warfare will develop in the future, and offers recommendations for concerned citizens and U.S. policymakers alike.

“Will norms evolve for cyber warfare analogous to those . . . that have helped keep the world free from the use of nuclear weapons since 1945? This thoughtful and careful work parses this hugely important question with care and creativity. Bravo.”—R. James Woolsey, former director of the Central Intelligence Agency and chairman of the Foundation for Defense of Democracies

## Orchestrating the Instruments of Power

*A Critical Examination of the U.S. National Security System*

D. ROBERT WORLEY

A comprehensive analysis of the existing body of politics and theory scholarship in U.S. national security-making strategy.

“Opens the arcane subject of national security policy and strategy to the general public, provides a valuable resource for students and practitioners, and demonstrates the challenges in adapting a system created for distinct eras of peace and war to modern complexities.”—John T. Hanley Jr., former director for strategy, Office of the Director of National Intelligence

“The book’s impressive breadth of treatment and its coherent framework will be of great use to students of U.S. national security strategy. The reader will come away with a wide-ranging and rigorous education in the tools, concepts, theories, and problems at the heart of U.S. strategy.”—Michael J. Mazarr, professor of national security strategy at the U.S. National War College

## Vice Capades

*Sex, Drugs, and Bowling from the Pilgrims to the Present*

MARK STEIN

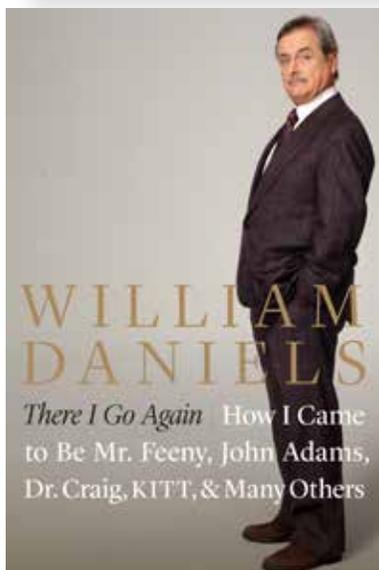

From the founding of Plymouth Colony to the present day, *Vice Capades* looks at our relationship with the actions, attitudes, and antics that have separated morality from depravity.

“*Vice Capades* exposes our racist and sexist history but reads like a Jon Stewart segment.”—Marianne Noble, author of *The Masochistic Pleasures of Sentimental Literature*

“Mark Stein once again shines brilliant light on who we really are as a nation and people.”—Mark Olshaker, coauthor of *Law and Disorder*

“This is classic Mark Stein: funny and wise and full of verve. An erudite and fun read.”—Bob Davis, coauthor of *Prosperity*

## Glenn Miller Declassified

DENNIS M. SPRAGG

The story of American musical legend Glenn Miller, including his tragic and mysterious disappearance.

“Dennis Spragg not only brings Miller’s entire professional life and career into sharp focus, he artfully weaves together strands of military, aviation, political, and cultural history to produce what is sure to be the definitive biography of this dedicated patriot and gifted entertainer. *Glenn Miller Declassified* is a richly researched and wonderfully crafted work.”—Mark J. Conversino, deputy commandant and professor of strategy and security studies at the U.S. Air Force School of Advanced Air and Space Studies

## Spies, Lies, and Citizenship

*The Hunt for Nazi Criminals*

MARY KATHRYN BARBIER

FOREWORD BY DENNIS SHOWALTER

The first book to explore the lives of Nazi fugitives sheltered and protected in the United States and elsewhere, based on information from a top-secret 2006 Justice Department report.

“A cautionary tale of how the immediate quest for power trumps conventional morality every time.”  
—Marc Milner, director of the Brigadier Milton F. Gregg Centre for the Study of War and History

“A fascinating look into the world of Nazi criminals and the organizations that pursued them—sometimes effectively and sometimes not.” —Geoffrey Megargee, author of *War of Annihilation: Combat and Genocide on the Eastern Front, 1941*

October 2017 • 352 pp. • 6 x 9 • 7 photographs, 1 illustration

## Crossing the River Kabul

*An Afghan Family Odyssey*

KEVIN MCLEAN

Kevin McLean tells the true story of Baryalai Popal's escape from Afghanistan after the Communist takeover and his return following 9/11. It is also the story of a politically powerful family that has long influenced Afghanistan's history.

“A fascinating, moving, and highly readable story. We learn much about Afghan family, tribal, and cultural values—as kings, presidents, ministers, and warlords all make their way through these pages.” —Tim Foxley, former Afghanistan senior analyst for the UK Ministry of Defense

“Baryalai Popal's personal story is a poignant microcosm of the beauty and tragedy of Afghanistan.”  
—Ronald E. Neumann, former U.S. ambassador to Afghanistan

## Haters

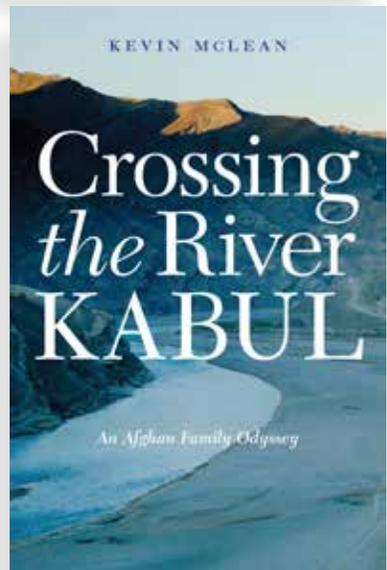

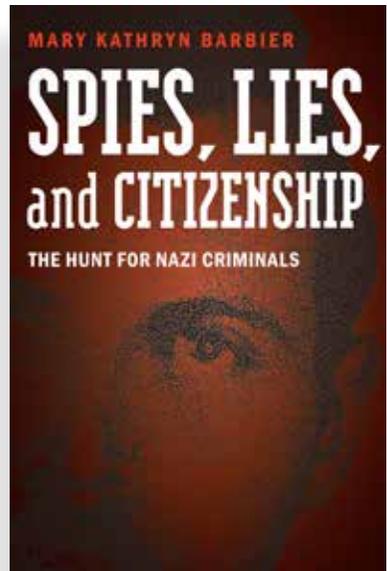

*Harassment, Abuse, and Violence Online*

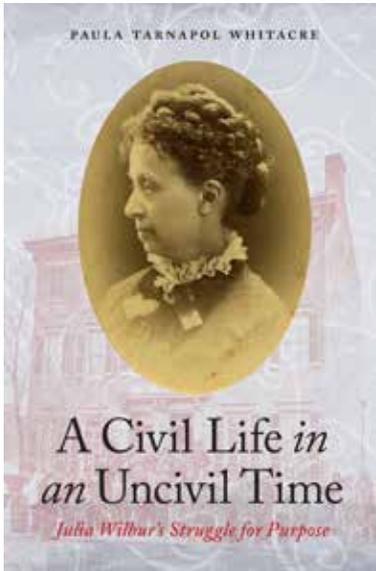

BAILEY POLAND

Using current events and the latest available research into cybersexism, *Haters* questions the motivations behind cybersexist activities and explores methods to reduce footprints of Internet misogyny, drawing parallels between online and offline abuse. By exploring the cases of Alyssa Funke, Rehtaeh Parsons, Audrie Pott, Zoe Quinn, Anita Sarkeesian, Brianna Wu, and others, and her personal experiences with sexism, Bailey Poland develops a compelling method of combating sexism online.

“Those interested in topics of social justice in online communities will find Poland's work immensely motivating.” —Marian Mays, *Library Journal*

2016 • 312 pp. • 6 x 9  
\$19.95 • paperback • 978-1-61234-766-0

## A Civil Life in an Uncivil Time

*Julia Wilbur's Struggle for Purpose*

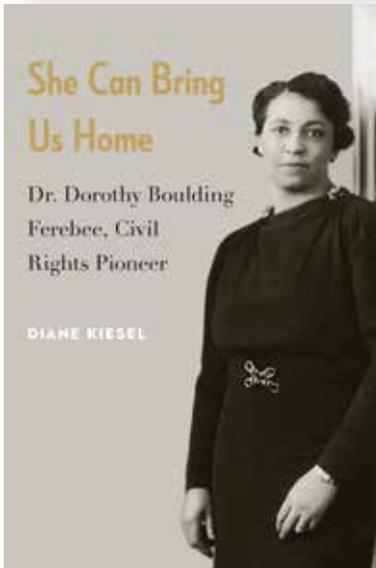

PAULA TARNAPOL WHITACRE

The biography of Julia Wilbur, who left her conventional life to aid newly freed slaves, injured Union soldiers, and, later, the women's suffrage movement in the late nineteenth century.

"Paula Whitacre shines a light on a remarkable character, abolitionist Julia Wilbur, who . . . heroically confronted misogyny, racism, and fear in an effort to aid enslaved African Americans making the transition to freedom. Here this important and timely story is empathetically brought to life. I urge everyone to pick up a copy and delve deeper into a chapter of Civil War history that has been overlooked for far too long."

—Lisa Wolfinger, co-creator and executive producer of the PBS series *Mercy Street*

## She Can Bring Us Home

*Dr. Dorothy Boulding Ferebee,*

*Civil Rights Pioneer*

DIANE KIESEL

2015 Richard Slatten Award for Excellence in Virginia Biography

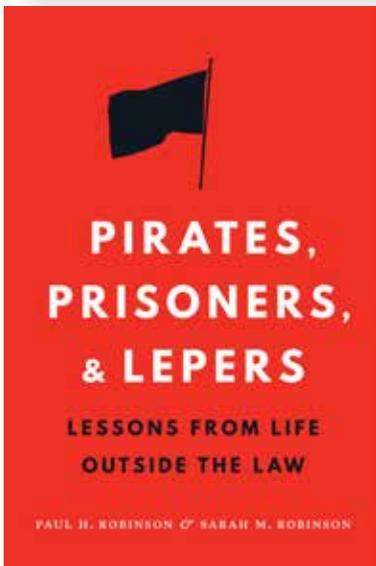

2016 Colonial Dames of America Book Award

The biography of Dorothy Boulding Ferebee (1898–1980), an African American doctor and activist who advised presidents on civil rights and assisted foreign governments on public health issues.

"A monumental work. . . . *She Can Bring Us Home* expertly recovers the life of this forgotten giant in advocacy of civil rights, health care, women's rights, and educational equality."—*Virginia Magazine*

"In Judge Diane Kiesel's capable hands, Ferebee's life as a national civil rights leader is given long-overdue recognition."—James McGrath Morris, author of *Eye on the Struggle: Ethel Payne, the First Lady of the Black Press*

2015 • 408 pp. • 6 x 9 • 41 photographs  
\$37.95 • hardcover • 978-1-61234-505-5

## Pirates, Prisoners, and Lepers

*Lessons from Life Outside the Law*

PAUL H. ROBINSON AND

SARAH M. ROBINSON

An examination of an array of natural experiments and accidents of human history in order to understand the fundamental nature of how humans act when beyond the scope of the law.

"Effectively makes the complexities of criminal justice ideals accessible through captivating stories and excellent research."—Stephanie Ziegler, *Law Library Journal*

"With a series of lively, surprising, and entertaining examples of how we actually behave when the veneer of civilization is gone, this book is a must for anyone who has wondered whether government interferes with our inherently good natures or restrains our inherently bad ones."—Morris Hoffman, state trial judge and author of *The Punisher's Brain*

2015 • 360 pp. • 6 x 9 • 17 photographs, 7 illustrations, 1 table  
\$32.95 • hardcover • 978-1-61234-732-5

## The Dominici Affair

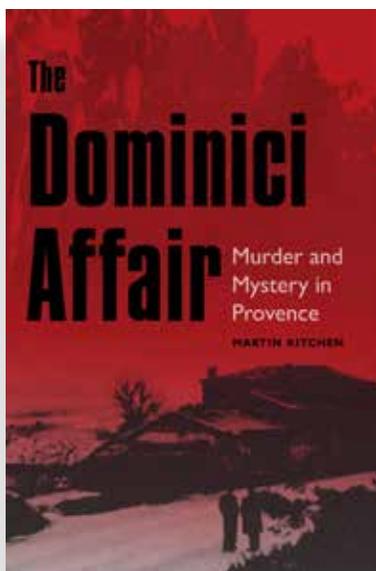

*Murder and Mystery in Provence*

MARTIN KITCHEN

*The Dominici Affair* redefines one of France's most puzzling crimes in the broader context of social, economic, and historical currents in postwar France.

"Martin Kitchen's meticulous reconstruction of the twists and turns of the Dominici affair, the most sensational murder mystery in 1950s France, is likely to stand as the definitive account of the case. Readers will enjoy not only the story itself but the light this lurid drama casts on life in a remote corner of France and on the ambiguous status, in national life and imagination, of postwar France's archaic peasant communities."—Sarah Maza, author of *Violette Nozière: A Story of Murder in 1930s Paris*

October 2017 • 360 pp. • 6 x 9 • 15 photographs, 1 map  
\$34.95 • hardcover • 978-1-61234-945-9

## The Miracle of American Independence

*Twenty Ways Things Could Have Turned Out Differently*

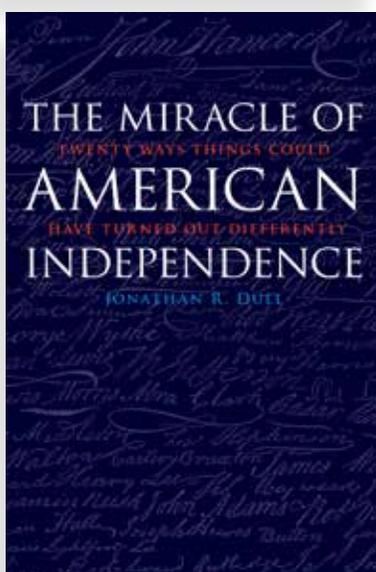

JONATHAN R. DULL

An exploration of key turning points leading up to, during, and following the Revolutionary War that altered the trajectory of history.

"A fascinating examination of possibilities in the American Revolution that might have served to deny independence. . . . Careful and balanced despite its unorthodox method. Any reader interested in the Revolution will find it engaging and valuable."—Robert Middlekauff, author of *Washington's Revolution*

"A fabulous book by one of the leading scholars of the period. This book will make you think in an entirely new way about the path to American independence."—Sam Willis, author of *In the Hour of Victory: The Royal Navy at War in the Age of Nelson*

2015 • 198 pp. • 5 1/2 x 8 1/2  
\$17.95 • paperback • 978-1-61234-767-7

## The Socialist Party of America

*A Complete History*

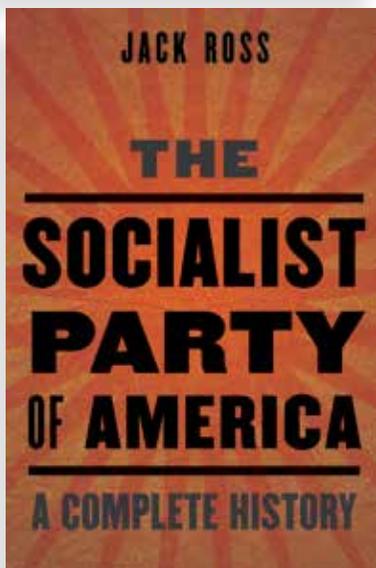

JACK ROSS

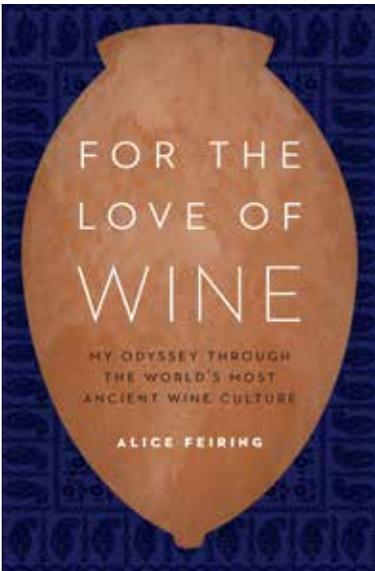

A complete history of the Socialist Party of America, beginning with the roots of American Marxism in the nineteenth century.

"Jack Ross has performed a prodigious and provocative feat of recovery and historical interpretation. In Ross's telling, the Socialist Party of America is not just a dreary dress rehearsal for Cold War liberalism or neo-conservatism but rather, at its best, a living, breathing embodiment of populist American radicalism."—Bill Kauffman, author of *Ain't My America*

"Ross tries to answer the difficult question of why the American Socialists never became a major party, providing an important history not only of the American left but of the right as well."—John B. Judis, senior writer for the *National Journal*

2015 • 824 pp. • 6 x 9 • 63 photographs, 1 drawing  
\$50.00 • hardcover • 978-1-61234-490-4

## For the Love of Wine

*My Odyssey through the World's Most Ancient Wine Culture*

ALICE FEIRING

Alice Feiring's story of the remarkable country of Georgia and its people—who have survived religious wars and Soviet occupation yet managed always to keep hold of their precious wine traditions.

"A book not only for wine enthusiasts, but for all who like spontaneous writing that explores a culture and its people."—*Winesworld Magazine*

"Feiring's lively account is a good place to begin for wine lovers seeking a head start on exploring a vastly underappreciated wine-producing country."—*Kirkus Reviews*

2016 • 208 pp. • 5 ½ x 8 ½ • 19 recipes, 22 illustrations, 1 map

## Whiskey Women

*The Untold Story of How Women Saved Bourbon, Scotch, and Irish Whiskey*

FRED MINNICK

**Gold Winner for Women's Studies from Foreword Reviews**

*Whiskey Women* tells the tales of women who created the whisky industry, from Mesopotamia's first beer brewers and distillers to America's rough-and-tough bootleggers during Prohibition.

"The known history of whiskey changes with *Whiskey Women*. Fred Minnick has dug deep and come up with gold on the tremendous contribution women have made at each step in the history and evolution of this much-storied beverage. *Whiskey Women* is a real game changer."—Davin de Kergommeaux, award-winning author of *Canadian Whisky: The Portable Expert*

2013 • 236 pp. • 6 x 9 • 27 photographs, 3 illustrations  
\$26.95 • hardcover • 978-1-61234-564-2

## Cheated

*The UNC Scandal, the Education of Athletes, and the Future of Big-Time College Sports*

JAY M. SMITH AND MARY WILLINGHAM

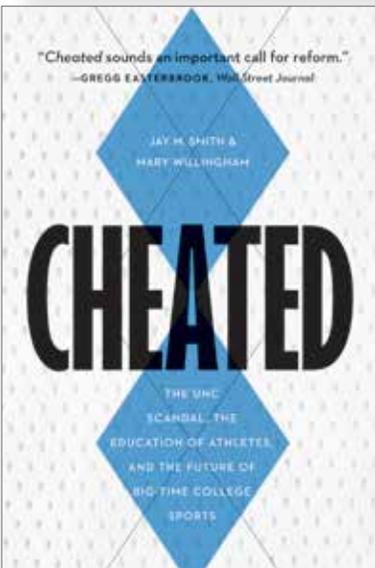

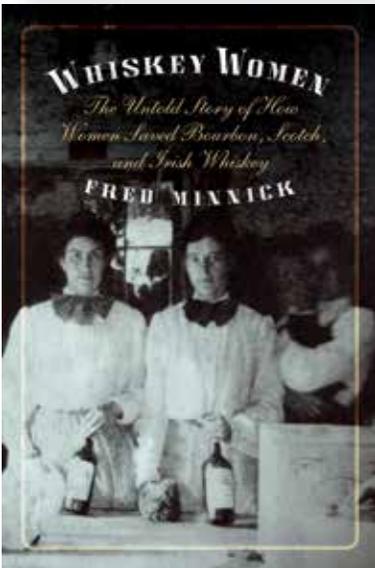

Told from the vantage point of two insiders with a privileged perspective on the individuals and events involved, *Cheated* examines athletic-academic corruption at the University of North Carolina—Chapel Hill and in NCAA athletics.

"*Cheated* sounds an important call for reform."  
—*Wall Street Journal*

"Those who care about the soul—and economics—of the \$16 billion-a-year college sports industry should clear their reading calendar for *Cheated*."  
—*Bloomberg Business*

"This excellent book is a canary in the coalmine for those who love athletics at the collegiate level."  
—*Sport in American History*
