JPS B’nai Mitzvah
Torah Commentary
RABBI JEFFREY K. SALKIN

A pivotal book for teens

For too many Jewish young people, bar/bat mitzvah has been the beginning of the end of their Jewish journeys. When students perceive the Torah as incomprehensible or irrelevant, many form the false impression that Judaism has nothing to say to them.

Enter the game-changer: The JPS B’nai Mitzvah Torah Commentary shows teens in their own language how Torah addresses the issues in their world. The conversational tone is inviting and dignified, concise and substantial, direct and informative. The narrative summaries, “big” ideas, model divrei Torah, haftarot commentaries, and discussion questions will engage teens in studying the Torah and haftarot, in writing divrei Torah, and continuing to learn Torah throughout their lives—making it the book every rabbi, cantor, parent, and tutor will also want to have.

Jewish learning—for young people and adults—will never be the same.

“This is a fantastic resource . . . clear, coherent, and easy to understand. It encourages readers to grapple with real issues in the Bible that are relevant to them. It will be incredibly valuable not only to teens preparing to become bar/bat mitzvah but also to adults in navigating, challenging, and connecting to the biblical text.”—Rabbi Danielle G. Eskow, co-founder of onlinejewishlearning.com

“Rabbi Jeff Salkin has enabled b’nai mitzvah to learn and teach Torah with a commentary that is wise, helpful, and brilliantly clear.”—Rabbi David Wolpe, senior rabbi at Sinai Temple, Los Angeles, and author of David, the Divided Heart

“A game-changer for b’nai mitzvah, their parents and teachers. Salkin’s fresh insights remind us how transformative this experience can be.”—Rabbi Aaron Miller, Washington Hebrew Congregation

In this remarkable, historically significant book, Mordecai Paldiel recounts in vivid detail the many ways in which, at great risk to their own lives, Jews rescued other Jews during the Holocaust. In so doing he puts to rest the widely held belief that all Jews in Nazi-dominated Europe wore blinders and allowed themselves to be led like “lambs to the slaughter.” Paldiel documents how brave Jewish men and women saved thousands of their fellow Jews through efforts unprecedented in Jewish history.

Encyclopedic in scope and organized by country, Saving One’s Own tells the stories of hundreds of Jewish activists who created rescue networks, escape routes, safe havens, and partisan fighting groups to save beleaguered Jewish men, women, and children from the Nazis. The rescuers’ dramatic stories are often shared in their own words, and Paldiel provides extensive historical background and documentation.

The untold story of these Jewish heroes, who displayed inventiveness and courage in outwitting the enemy—and in saving literally thousands of Jews—is finally revealed.

Mordecai Paldiel is a professor of history at Yeshiva University–Stern College and Touro College and is a consultant to the International Raoul Wallenberg Foundation. He is the former longtime director of the Righteous Among the Nations Department at Yad Vashem and was himself rescued from the Holocaust by a “Righteous Gentile.” Paldiel is the author of eight books, including Sheltering the Jews: Stories of Holocaust Rescuers and Saving the Jews: Amazing Stories of Men and Women Who Defied the “Final Solution.”

“The first of its kind . . . Saving One’s Own is very important because it illustrates the resilience of people in Nazi-occupied Europe and dispels the myth of Jewish passivity during the Holocaust. Thoroughly researched, exciting, and engaging.”—Samuel P. Oliner, author of Who Shall Live: The Wilhelm Bachner Story

“Mordecai Paldiel has encyclopedic knowledge of the subject . . . Country by country, virtually institution by institution, he looks at ways in which Jews rescued Jews. Strongly recommended.”—Michael Berenbaum, scholar, author, filmmaker, and former project director of the United States Holocaust Memorial Museum

Justice for All
How the Jewish Bible Revolutionized Ethics

JEREMIAH UNTERMAN

Biblical ethics vs. Ancient Near East thought

Justice for All demonstrates that the Jewish Bible, by radically changing the course of ethical thought, came to exercise enormous influence on Jewish thought and law and also laid the basis for Christian ethics and the broader development of modern Western civilization.

Jeremiah Unterman shows us persuasively that the ethics of the Jewish Bible represent a significant moral advance over Ancient Near East cultures. Moreover, he elucidates how the Bible’s unique conception of ethical monotheism, innovative understanding of covenantal law, and revolutionary messages from the prophets form the foundation of many Western civilization ideals. Justice for All connects these timeless biblical texts to the persistent themes of our times: immigration policy, forgiveness and reconciliation, care for the less privileged, and attaining hope for the future despite destruction and exile in this world.

Jeremiah Unterman is a resident scholar at the Herzl Institute, Jerusalem. He is the author of From Repentance to Redemption: Jeremiah’s Thought in Transition and numerous scholarly articles.

“A wonderful work—insightful and important. Jeremiah Unterman never loses sight of the fact that the Bible’s goal is to create a holy, moral people. He convincingly demonstrates again and again that this is not just a modern reading of the Bible but a statement of its original intent.” —Rabbi Joseph Telushkin, author of Jewish Literacy and Biblical Literacy

“Take notice. Jeremiah Unterman has written a major book that expertly documents the supremacy of the ethical in the Hebrew Bible. It will affect not only how you understand the Bible but how you live your life.” —Dennis Prager, nationally syndicated radio talk-show host and best-selling author of The Ten Commandments: Still the Greatest Moral Code

“[Justice for All] demonstrates that the Jewish Bible, by radically changing the course of ethical thought, came to exercise enormous cultural influence.” —Publishers Weekly

Chanting the Hebrew Bible, Second, Expanded Edition

The Art of Cantillation

JOSEPH R. JACOBSON

An expanded edition of the most authoritative guide on cantillation

In this encyclopedic text, completely revised and updated in this second edition, Joshua R. Jacobson presents the history of the ancient Jewish tradition of chanting the Bible and a comprehensive explanation of cantillation practice with its grammatical rules and regional variations. His unique system of analysis shows step-by-step how chanting dramatizes and interprets the meaning of the biblical text. Jacobson also provides complete notation for performing all six musical systems, an extensive guide to pronouncing biblical Hebrew, and pedagogical tips for cantillation teachers.

Chanting the Hebrew Bible will be invaluable to anyone interested in chanting, from beginners to advanced readers—from haftarah readers who want to chant from the Torah, to Bible students seeking greater insight into Masoretic texts, to Torah chanters who wish to fine-tune their skills, fill gaps in their knowledge, and understand the system they have known only intuitively until now.

This second edition features a week-by-week guide to Torah, haftarah, and megillot readings for Shabbat and holidays; useful new examples and exercises; a new comprehensive general subject index; a new, easy-to-read, clear Hebrew font; and a link to a new website with audio recordings and video lessons.

Chanting the Hebrew Bible, Second, Expanded Edition will continue to be the definitive work on Torah chanting—the most authoritative guide and reference on the subject.

Joshua R. Jacobson is a professor of music and director of choral activities at Northeastern University, the founder and director of the Zamir Chorale of Boston, and a visiting professor and senior consultant in the School of Jewish Music at Hebrew College. Jacobson is the coauthor of Translations and Annotations of Choral Repertoire, volume 4: Hebrew Texts.

“Monumental in scope and richly detailed, this revised edition of Chanting the Hebrew Bible—enriched by a week-by-week guide to the Torah, haftarah and megillot readings, and a comprehensive index—is an invaluable contribution to the study and practice of biblical cantillation. Jacobson’s work of impressive scholarship is simultaneously an accessible and engaging practical resource.”—Rabbi Jeffrey A. Summit, author of Singing God’s Words: The Performance of Biblical Chant in Contemporary Judaism

“This encyclopedic volume is a ‘must-have’ for all serious students of cantillation—and for anyone who wants to learn how to chant Hebrew texts and understand the why of the cantillation systems.”—Nancy Abramson, cantor and director of the H. L. Miller Cantorial School at Jewish Theological Seminary

Modern Orthodox Judaism: A Documentary History  
ZEV ELEFF  
FOREWORD BY JACOB J. SCHACTER

“A pathbreaking documentary history of Modern Orthodoxy in America. There is nothing like it. The documents are well chosen and many will be new—even to scholars.”—Jonathan D. Sarna, Joseph H. and Belle R. Braun Professor of American Jewish History at Brandeis University

Modern Orthodox Judaism offers an extensive selection of primary texts documenting the Orthodox encounter with American Judaism that led to the emergence of the Modern Orthodox movement. Many texts in this volume are drawn from episodes of conflict that helped form Modern Orthodox Judaism. These include the traditionalists’ response to the early expressions of Reform Judaism, as well as incidents that helped define the widening differences between Orthodox and Conservative Judaism in the early twentieth century. Other texts explore the internal struggles to maintain order and balance once Orthodox Judaism had separated itself from other religious movements.

JPS Hebrew-English TANAKH

“Virtually every rabbi and library will want this volume.”—Associated Press

The JPS Hebrew-English TANAKH features the oldest-known complete Hebrew version of the Holy Scriptures, side by side with JPS’s renowned English translation. Its well-designed format allows for ease of reading and features clear type, an engaging and efficient two-column format that enables readers to move quickly from one language to the other, and an organization that contemporary readers will find familiar.

The Hebrew text of this TANAKH is based on the famed Leningrad Codex, the Masoretic text traceable to Aaron ben Moses ben Asher, ca. 930 CE. Ben Asher researched all available texts to compile an authoritative Bible manuscript. In 1010 CE his work was revised by Samuel ben Jacob, a scribe in Egypt. Lost for centuries, the manuscript was eventually discovered in the mid-nineteenth century and became known as the Leningrad Codex. This edition adapts the latest Biblia Hebraica Stuttgartensia edition of the Leningrad text by correcting errors and providing modern paragraphing.

The English text in this TANAKH is a slightly updated version of the acclaimed 1985 JPS translation. Wherever possible, the results of modern study of the languages and culture of the ancient Near East have been brought to bear on the biblical text, which allows for an English style that is reflective of the biblical spirit and language rather than of the era of the translation.

Jonah
Uriel Simon

“An outstanding literary and exegetical commentary on the book of Jonah.”—Bibliotheca Sacra

As the haftarah for the Mincha service on the Day of Atonement, the book of Jonah enjoys a central place in Jewish liturgy. Its exquisite literary beauty and strong theological appeal make it one of the most popular and best-known books of the Hebrew Bible. The intricate structure of the story and its stylistic niceties are not exposed for their own sake but as the narrator’s means of expression. The rich psychology of the prophet is dealt with as an integral part of his theology. Jonah requires that sound philological explanation be accompanied by a close literary reading.

Song of Songs
The Traditional Hebrew Text with the New JPS Translation
Commentary by Michael Fishbane

“Michael Fishbane, one of the most penetrating Bible scholars of our time, has surpassed himself in this magnificent study of Song of Songs, combining scholarly erudition, poetic sensibility, theological depth, and an unmatched mastery of the history of interpretation of this most difficult yet lyrical testimony of love. A masterpiece of scholarship!”—Rabbi Lord Jonathan Sacks, emeritus chief rabbi of the United Hebrew Congregations of the British Commonwealth

Song of Songs is a wondrous collection of love lyrics nestled in the heart of the Hebrew Bible—songs of passion and praise between a young maiden and her beloved. It is religious lyric par excellence. But what is its true meaning? Is it an expression of human love and passion, pure and simple? A celebration of the covenant between God and Israel? Or something else?

Ecclesiastes
Michael V. Fox

“This is an insightful and accessible commentary that reflects many years of deep engagement with the text.”—Journal of Hebrew Scriptures

Ecclesiastes is part of the “wisdom literature” of the Bible. It concerns itself with universal philosophical questions rather than events in the history of Israel and in the Hebrews’ covenant with God. Koheleth, the speaker in this book, ruminates on what—if anything—has lasting value, and how—if at all—God interacts with humankind.

The JPS Commentary on the Haggadah
Historical Introduction, Translation, and Commentary
Joseph Tabory
Foreword by David M. Stern
The Passover haggadah enjoys an unrivaled place in Jewish culture, both religious and secular. Of all the classic Jewish books, the haggadah is the one most “alive” today. Jews continue to rewrite, revise, and add to its text, recasting it so that it remains relevant to their lives. Joseph Tabory, one of the world’s leading authorities on the history of the haggadah, traces the development of the seder and the haggadah through the ages. The book features an extended introduction by Tabory, the classic Hebrew haggadah text side by side with its English translation, and Tabory’s clear and insightful critical-historical commentary.

K’tonton’s Sukkot Adventure
Sadie Rose Weilerstein
Illustrated by Joe Boddy

“Contemporary expressions have been substituted for outdated ones, and the tempo has been picked up. In other words, K’tonton has been much improved [since the original publication], but the main elements of the story and of the holiday remain. The witty, expressive pen-and-ink sketches add to the book’s appeal.” —Marcia Posner, the Jewish Book Council

Where else could an etrog box be exactly the right size for a bed? And who else but K’tonton could stow away with his father’s etrog in order to join the Sukkot celebration in the synagogue, only to find himself swinging dangerously from the end of a palm frond!

Share this marvelous adventure of the enduring little hero and learn about the holiday of Sukkot and its traditions and rituals.

Unpacking Holocaust Memories
Written and illustrated by Judy Tal Kopelman

“An organized and clear story that enables young readers to confront the hardest of stories to tell.”—Yael Dar, Ha’aretz, Israel’s oldest newspaper

The story of a silent grandfather unexpectedly confronted by his curious and loving grandchild is accompanied by rich illustrations that show authentic preserved objects donated by Holocaust survivors from Theresienstadt.
